

## **Prayer Ministry Information and Disclaimer/disclosure forms**

Thank you for your interest in receiving prayer ministry. This premise, 'You were created to be whole and free', is foundational to the prayer ministry being offered. It is for freedom that Christ has set you free! (Galatians 5:1)

The purpose of these forms is to give you an outline of what prayer ministry is, and also to obtain a picture of your background.

Prayer ministry is not a psychological counselling service, nor is it intended to be. Prayer ministers are not licensed psychologists or psychiatrists, nor are they certified counsellors. I have been trained in Elijah House NZ training schools and the ministry I provide is using the Word of God, through the power of the Holy Spirit via House of Re ministries.

### **Healing and freedom through prayer ministry.**

When we accept Christ as our saviour, we receive the Holy Spirit. It is through our relationship with the Holy Spirit that we begin to produce good "fruit" ...love, joy, peace, patience, kindness, goodness and self-control. (Galatians 5). If we are producing this type of good fruit, then we know that we are drinking nurture from the Holy Spirit, God's Word, creation, healthy relationships, generational blessings etc.

However, in our lives there can be fruit that is inconsistent with the fruit of the Holy Spirit, and unbecoming a child of God...addictions, fears, compulsive traits, hatred, resentments, unforgiveness, broken relationships, inability to fully come into our true identity and walk in our destiny, lack of power in our Christian life etc. If there is that type of "fruit" in our life, then we know that in that area, we must be drinking 'nurture' from something else...and that something is usually a pool of bitterness, unforgiveness, unresolved issues and unresolved trauma. Jesus said that this type of "fruit" comes from the heart (Matthew 15:18)

When there is present-day fruit in our life, then we ask the Holy Spirit to reveal where that bad fruit is coming from. Often bad fruit can be traced to bad roots, i.e., judgments, inner vows, unforgiveness, resentments, and lies adopted into our belief systems earlier in life.

### **What prayer ministry sessions can involve:**

- Recognising fruit.
- Recognising roots.
- Facilitating confession and repentance.
- Release forgiveness.
- Address any demonic influence/oppression – bind, cast out, deliver and set free!
- Speaking words of life.
- Reconcile with God and others.
- Learn to walk in the disciplines of new life.
- Appropriate the power of the Cross and the blood of Jesus.
- Pray blessing prayers.

**Note:** You and your story are unique. You are not a problem to be fixed and we will meet you where you are at. As the Holy Spirits prompts; we may have words of knowledge, wisdom, counsel and teaching, interpret dreams, pray for healing of trauma and or generational issues.

As a result, we regularly see Gods healing and wholeness follow as we allow him to work in our heart.

### **Intercessor/s:**

Normal practice is to have an intercessor/s present during ministry. We maintain a strict policy of confidentiality of your ministry session.

Once your forms are returned, I can advise you of potential times available. I will hold those times for 48 hours for confirmation from you. Upon confirmation of your appointment, I will send you my address and parking details. I generally have 2-3 week wait time.
